Wyoming Split Estates Act

- Two Broad Categories of Commission Involvement:
 - Certification Statements
 - Bonding Provisions

Wyoming Split Estates Act

Prior to commencing oil and gas operations, the operator must:

- Give required notice no more than 180 or less than 30 days prior to commencement
- Attempt good faith negotiations
- Satisfy one of the following:
 - Obtain waiver or consent from surface owner
 - Execute a surface use agreement
 - Execute a good and sufficient surety bond

Wyo. Stat. Ann. §30-5-402 (2005)

Wyoming Split Estates Act

- Operator must give 5 days notice prior to entering the land for non-surface disturbing activities

Wyo. Stat. Ann. §30-5-402 (2005)
